

## **Self Cater for small groups option at Te Moata 2022**

### **Self catering in cottages and cabins**

We have 3 self-contained cottages - Nanouk, Phoenix, Earth Hut and 3 cabins (*bedroom only*). If all are booked for the weekend it is possible to accommodate 11 singles (and more if you have couples).

The price is \$200/night for Phoenix, \$200/night for Nanouk and \$130/night Earth Hut. The 3 additional cabins are available at \$50 per night each. The people accommodated in cabins would need to shower and cook in the self-contained cottages.

We prefer people to bring their own linen and towels but if need be we can supply for \$25 per bed used.

You could all **self cater in your own cottages** (*apart from the people in the cabins*), or someone caters for everyone from Phoenix, which has a good stove and fridge and space enough for people to sit around. Some meals in Tairua could also be an option. If you had all 4 cottages for the weekend, you could also use the meditation room and carpet room, labyrinth etc. You would have no access to the kitchen or dining room.

All facilities are expected to be left clean as at handover.
