How we allocate accommodation:

We allocate single rooms/cabins/cottages by priority prior to the retreat starting. Cottage rooms are allocated firstly to teachers; then to those with medical or mobility reasons and to those over the age of 70, and then by retreatant request. Retreatant groups requesting to share rooms/cottages are also prioritised if possible. Once rooms and cabins have been allocated we email you usually around 10 days before the retreat starts or when the retreat is full. We advise what size of linen to bring then too.

We ask all retreatants to bring their own bedding, (sheets, pillowslips, duvet, towels) as we have a limited supply of solar power to run a washing machine to do large quantities of washing.

If you are travelling to us by a plane you can hire bedding which includes a duvet, blanket, sheets, pillowslip, towel and flannel. These can be hired for a fee of \$25.00.

Retreatants are requested to pre-pay by direct credit into Te Moata's bank account Te Moata Charitable Trust 12-3044-0422743-00 once their upgraded accommodation has been confirmed.

Many thanks from Te Moata management.
